

# WORLD-CLASS SDA HOMES

*Celebrating you through lifestyle living*

Our goal is to build homes that offer choice and control for individuals with high and complex support needs, through the SDA funding model. As a registered provider, we are responsible for delivering person-centered housing and outcomes for people with disabilities. All SDA homes are specially designed to meet the needs of individuals with extreme functional impairment and high support needs.

- Above NDIS Standards
- Brand New

- Local Amenities
- High-End Finishing
