Key Features

DURABLE CONSTRUCTION

Built with high-quality, resilient materials to last, minimising the need for frequent repairs and maintenance.

SAFETY FEATURES

This home has a range of carefully considered safety features, such as, reinforced walls, solid core doors, secure windows, laminate glazing and commercial-grade fittings.

MODERN DESIGN

Designed to be a place of sanctuary, the house features calm colours, subtle visual details, weighted furniture, simple landscaping and EV charging capability.

ABOUT YOU CONNECT

We are a not-for-profit organisation providing person-centered disability and mental health support across Newcastle, the Hunter, the Central Coast and Sydney.

Now in our 30th year of operation, we assist people from age 6 with a range of meaningful support services. We pride ourselves on being there as and when needed, so that every person can achieve their goals.

Our support workers respect each individual's autonomy and are sensitive to and inclusive of their values, diversity, and beliefs. We want all our participants to feel heard, safe and supported with us.
